

Classroom Collection Campaign

by **alamance chamber™**

#AccessEducation

17th Annual campaign will run: **July 13 - August 13, 2018**

Organized by the Alamance Chamber this campaign is designed to support students by supplying items needed for a successful school year. As you know, many families are struggling to make ends meet. The supplies you donate will be stored in a central location and distributed by school social workers to students with the greatest need.

Please encourage family, friends, churches, and civic organizations to donate supplies at any of the designated public drop sites. Thanks to LabCorp and Alamance Regional, two of our largest employers, for hosting employee campaigns. If you would like additional information or a collection box for your employees, please contact Laura Fehlhafer, 336-228-1338. The pick up of large donations can be arranged.

Over 50,000 school supplies were collected last year through the Classroom Collection Campaign. These supplies ensured that more than **3,100 Alamance-Burlington School System students** in need were supplied with the basic tools necessary for a successful school year.

The need in our county continues to rise. Currently, **approximately 60%** of students enrolled in Alamance-Burlington Schools receive free or reduced breakfast/lunch and **10 schools** that provide every student with free breakfast/lunch.

Cash donations can be made to the Classroom Collection Campaign through the Alamance Chamber. For tax deductible donations, make checks payable to Alamance County Economic Development Foundation.
